Re: Contract 04-3J6804  
04-SOL-113-20.4-21.2  
Bid Opened 5/18/16

Dear Sir, Madam,

Vintage Paving Company, Inc. was the third monetary bidder on the above referenced project. Please consider this letter a protest of the bid submitted by Martin Brothers Construction due to inaccuracies in their DVBE summary documentation. The following is our basis of protest:

1. Documents submitted by Martin Brothers of their listed subcontractor DVBE firm Roll N Rock Construction claim a total amount of \$ 37000.00. On this document are Martin Brothers' calculation of the value of Roll N Rocks participation. Three components of Roll N Rocks quote are added to determine the total sum of \$ 37000.00. Two of these components can be verified with Roll N Rock quote and Martin Brother's calculations. The third component, Misc. OT, \$ 390.00 dollars, cannot be verified and seems to have been added for the purpose of obtaining the DVBE goal of 5%. Without the \$ 390.00 contributing to the DVBE goal, the total value of Martin Brothers DVBE subcontracted would be \$ 36640.00. The amount is 4.9849% which is below the required goal. The State is required to reject this bid and award the project to the lowest responsible bidder.
2. Martin Brothers calculated the participation of Roll N Rock utilizing flagging crews. There are no reversible flagging traffic control charts in the contract specifications. The contract specification requires lane closures and ramp closures. Martin Brothers cannot claim participation for work that is not specified in the contract.

In conclusion, if the DVBE goal is not met, The State must reject.

Please contact me if you should have any questions.

Sincerely,

Robert Nickelson, VP  
Vintage Paving Company
